## Consignor Contract

### Terms of Contract:

All consignment garments must be clean and seasonal. When we begin the consignment process, any items that are found to have defects, holes, stains or missing buttons, etc, will be donated to charity. Urban Thread has the right to refuse any article that we feel will not sell.

All items are sold on a 60/40 split. The selling price is determined by management.

Checks are printed on the 10<sup>th</sup> day of each month. We will not print checks under the amount of \$10.50. However, that amount will be carried over to the following month, or will be available for a cash pay out. Checks will be available for pick up at the store, or will be mailed out, if the consignor provides a self addressed stamp and envelope. A \$.50 processing fee will be deducted from each check.

Your items will live in the store for a total of 60 days. After the initial 20 days, the original price will be discounted by 25%, after 40 days, the price will be discounted by 50%. All unsold items will be available for pick up after the 60 day selling cycle ends. If the items are not going to be retrieved after the selling cycle ends, everything will become store property or will be donated to charity. If in fact you would like to pick up your unsold items, we ask that you provide us with at least 24 hours notice, so we have time to gather your things.

Clothing and accessories are accepted on the following seasonal schedule:

February, March, April = Spring

May, June, July = Summer

August, September, October = Fall

December, January = Winter

I hereby warrant that I have complete title to the merchandise consigned with Urban Thread. I will not hold Urban Thread responsible for any claim of title to the items. I understand that Urban Thread holds no responsibility for any damage or loss of merchandise under any circumstance. This contract is valid for all future consignments with Urban Thread.

I understand and agree with the above rules of consignment.
